

The American people have always recognized that education is one of the soundest investments they can make. The dividends are reflected in every dimension of our national life -- from the strength of our economy and national security to the vitality of our music, art, and literature.

-- President Jimmy Carter

Friends of the Foundation is a group of people committed to education and to identifying and supporting projects that benefit the students and staff of North Kansas City Schools. Members of our giving circle pool their financial resources to make an annual gift that can have a lasting impact on our district. All donations are managed by the Education Foundation, a 501(c)(3) organization, and are fully tax deductible. Please complete and return this form along with your payment, or sign up and pay online: www.nkcschoolsfoundation.org.
