Engaging our communities to support and fund extraordinary educational experiences.

LETTER FROM OUR CHAIR

Dear Friends,

During my tenure as Superintendent of North Kansas City Schools, I had the privilege of working with dedicated Board of Education members, district staff and community leaders who supported excellence in public education. Together, we established the Education Foundation in 1996 to enhance teaching and learning opportunities in our school district.

The following year, we hosted the first Fall Breakfast fundraiser at Finnigan's Hall in North Kansas City. Ninety-five people attended, raising \$1,853. Since then, the event has attracted more than 8,100 guests and brought in \$1.3 million.

The Education Foundation made its initial impact through the Dr. Dan Kahler Innovative Teaching Grants Program, named in honor of Oak Park High School's first principal who provided the establishing gift. To date, district staff has received 321 Kahler Grants totaling \$462,000, including a record 25 for our 25th anniversary. In 2013, we added \$100 mini-grants, allowing 550 first-time teachers to buy items for their students or their classrooms.

More recently, the Education Foundation has awarded annual impact grants of more than \$285,000. These have supported early childhood education, library makerspaces, spelling bee competitions, global language classrooms, STEM activities, high school robotics, and college and career readiness.

Our scholarship program began in 2004 with two \$1,000 Vicki Baker Scholarships. By 2021, graduating seniors received a record 105 scholarships through the Education Foundation, bringing the total to 870 scholarships worth \$780,000 over the past 18 years.

Thanks to the generosity of donors and our partnership with the Greater Kansas City Community Foundation, total assets now exceed \$2 million. With your continued support, the Education Foundation looks forward to its next 25 years and finding even more ways to make extraordinary educational experiences possible.

Sincerely,

Dr. Tom Cummings

Thanks to the tremendous support of sponsors and guests, our **25th Fall Breakfast** raised more than **\$157,000**, setting a new record! The event also attracted **435 guests**, including students and staff members recognized for their achievements. **Supt. Dan Clemens** shared his state of the district address, and a **Student Showcase** featured projects funded by Education Foundation grants. **Ellen Todd of Curry Real Estate Services** and **Holmes Murphy**, the district's insurance broker, received **Cornerstone Awards** for their ongoing strong support.

KAHLER GRANTS

Named for former district principal Dr. Dan Kahler, our grants program supports staff members whose innovative ideas enhance student learning. Since 1997, 321 grants totaling more than \$465,000 have been awarded.

A record 25 grants – in honor of the Education Foundation's 25th anniversary – are benefitting 7,700 students during the 2021-2022 school year.

MAKING AN IMPACT

Here are other ways the Education Foundation and its supporters made a difference for our students, staff and schools during 2021.

For the second year, COVID cancelled the district's annual "Stuff the Bus" school supply drive. Once again, the **Education Foundation and Partners in Education** teamed up to raise more than \$18,000 so district schools could buy supplies their students needed the most.

To recognize the extraordinary efforts of district teachers and support staff during the pandemic, the **Education Foundation led an initiative called OUR First Responders**. Approximately 3,400 employees received special thank you gift bags that included free McDonald's breakfast combo coupons.

The Education Foundation also benefitted from a partnership with the Atkins-Johnson Farm & Museum in Gladstone, which hosted The Restoration Run in August. **Five thousand dollars in 5K proceeds helped buy items for Missouri history artifact kits for third-grade classrooms throughout the district.**

North Kansas City High School alums and friends spent a fun day **playing golf to benefit the Hornet Hive Booster Club and the Northtown Alumni Fund managed by the Education Foundation**. The inaugural tournament and a silent auction raised several thousand dollars.

The **Education Foundation and the Lewis Learning Impact Fund provided a \$15,000 impact grant to help jump start the district's new College & Career Pathways program for high school students**. It ensures they graduate with skills needed to succeed in college, careers, and life. Students choose a path aligned with leading industry sectors – including business, health, human services and technology/design.
