The tile floor design outside of the Falcon Fieldhouse was the Class of 2013's gift to the school upon graduation. During our four years at a new Staley High School, we worked hard to leave a legacy for future students and our class gift serves as a reminder of that legacy. We then established the Staley Class of 2013 Legacy Scholarship to continue our legacy benefitting future graduates. This scholarship is awarded to an exceptional student who has also left his or her unique legacy at Staley High School.
