

# 2020 Application

**Purpose:** This scholarship was established in honor and memory of Leo Scott through the North Kansas City Schools Education Foundation. It is intended to inspire Oak Park graduates to further their post-secondary education and mentor others through community involvement and paying it forward.

Leo Scott was a 1975 graduate of Oak Park High School. We lost Leo in 2014 at the way-too-early age of 58 after his courageous battle with cancer.

In true Oakie spirit, Leo was elected to a class office each of his 3 years at Oak Park. He was a 2-year varsity letterman in football and unselfishly contributed his time and energy to multiple other events and activities for both Oak Park and the community while in school and after graduation. Leo ALWAYS gave back more than he received. Leo Scott defined the phrase, "Pay it forward".

Anybody who knew Leo was immediately infected with his positive attitude, genuine personality, and smile. Leo's trademark phrase was, "Hey Ya Buddy". This was Leo's term of endearment to the hundreds of people touched by his friendship. The annual recipient will be someone who, in the opinion of the review committee, could truly be considered **Leo's Buddy**.
