

Kauk Family Healthcare Scholarship

Choosing careers in healthcare brought Bruce, a physician, and Jan, a nurse, together. They moved to Kansas City's Northland in 1979 and raised their sons Blaine and Justin, both proud North Kansas City High School graduates. Justin also chose the healthcare profession and practices orthopedic surgery. The Kauk Family is strongly committed to making a difference in our community. Jan serves on the Board of Education for North Kansas City Schools and volunteers for many other local organizations.
