

## Mary “Theresa” Moore (Johannes) Scholarship Fact Sheet 2023

**Purpose:** This scholarship was established by friends and family of Theresa Moore Johannes through the North Kansas City Schools Education Foundation. It honors Theresa, a member of Winnetonka High School’s 1973 graduating class and a graduate of UMKC with a degree in mathematics three years later. Her entire 21-year career was spent at Airborne Express, where she rose to the rank of District Field Service Manager by the time she was 28. She was an extremely good judge of business talent, and many people got their start through her mentorship. She retired in 1997 to raise her family and reveled in the joy of nurturing and caring for them. Theresa will be remembered for her undefeated spirit and her enthusiasm for life. She had a rare type of cancer that usually claims a life in eighteen to thirty months. Through her efforts and those of skilled physicians, Theresa was able to prolong her life for twelve years. She died in February 2010.
