

Winnetonka Class Award

2023 Freshman Application

NOTE: Applicants for this scholarship do NOT need to complete the All-N-One Scholarship Application

Purpose: This scholarship was generously established by Ed Moore through the North Kansas City Schools Education Foundation. It is intended to inspire Winnetonka freshmen to think about the future and what they plan to do following high school. In addition, it will give them an opportunity to experience and practice the process of applying for college scholarships. Students are eligible to reapply for this scholarship during their sophomore and junior years at Winnetonka.
